such contract has been amended, amended and restated or otherwise modified or supplemented from time to time (the "Contract"). Tulsa was hired to provide inspection services related to gas and pipelines, connections, compression stations and related projects critical for safety and required by the United States Department of Transportation Pipeline and Hazardous Materials Administration and California law to ensure explosions leading to loss of life and property damage do not occur, including services related to maintenance and repair (collectively, the "Work").

Prior to the filing of the Debtors' bankruptcy case, Tulsa provided labor, equipment, services and supplies to PG&E under the Contract along PG&E's pipeline in the following California counties: Butte, Calaveras, Colusa, Kern, Madera, Sacramento, San Luis Obispo and Yolo (the "Properties"). The Work under the Contract is a "work of improvement" as defined under California Civ. Code § 8050(a). Under California Civ. Code § 8412,

A direct contractor may not enforce a lien unless the contractor records a claim of lien after the contractor completes the direct contract, and before the earlier of the following times:

- (a) Ninety days after the completion of the work of improvement.
- (b) Sixty days after the owner records a notice of completion or cessation.

Likewise, California Civ. Code § 8460(a) provides that,

(a) The claimant shall commence an action to enforce a lien within 90 days after recordation of the claim of lien. If the claimant does not commence an action to enforce the lien within that time, the claim of lien expires and is unenforceable

Pursuant to 11 U.S.C. § 546(b), Tulsa hereby gives notice in lieu of the commencement of any such action to perfect, maintain, or continue Tulsa's liens. Accordingly, Tulsa requests adequate protection of its liens. A true and correct copy of Tulsa's lien filed in Butte County is attached hereto as Exhibit A. A true and correct copy of Tulsa's lien filed in Calaveras County is attached hereto as Exhibit B. A true and correct copy of Tulsa's lien filed in Colusa County is attached hereto as Exhibit C. A true and correct copy of Tulsa's lien filed in Kern County is attached hereto as Exhibit D. A true and correct copy of Tulsa's lien filed in Madera County is attached hereto as Exhibit E.
